The race course is 15 kilometers (9.3 miles) of rolling black top roads arranged in a loop. The starting line is at Fresh Pond, on Center Rd. The finish line is at Champlin’s Marina, in New Harbor. The roadway is marked at 1 mile intervals; there are 4 water stops on the course. The men’s course record is 45:32 held by Richard Nerukar – 1994. The women’s course record is 55:41, held jointly by Janice Cataldo in 1985, & Kim Ginder in 1998.

General Information

Runners arriving on race day via Interstate Navigation, the ferries from Point Judith and New London may use the race committee bus which leaves the ferry landing intermittently and brings runners to the assembly area at Isaac’s Corner, on Center Rd. Your things will be transported to the finish line. When you have completed the race the bus will take runners from the finish line, at Champlin’s Marina, to the ferry landing in Old Harbor. The last ferry leaves to Point Judith at 5 PM. Timing Officials are the Snerro Group.

Trophies will not be shipped. Please stay for your award. Results posted on www.coolrunning.com

The entry fee is \$20. Do not mail any application after August 27th. The fee will be \$25 at that time. Post entries are accepted up to 1 PM on race day with the late entry fee of \$25. We will be giving away about 600 tee shirts, which is enough for everyone. In any case you will get fresh fruit, juice, bagels and the use of the swimming pool, and showers are available. Of course you will get exposure to Block Island and the wonderful personalities of the race committee which is worth the entry fee.

In recognition of the Spartan spirit of the runner the race goes on rain or shine.
