If you do not have housing you must find a job that offers housing. We do not know of any housing available separate from a job.

The Block Island season begins in May and extends until October. Housing is normally given to employees who can commit to the entire season however you must confirm this with each employer. When contacting a potential employer, be sure to attach your resume and any other requested information.

Use our website www.blockislandchamber.com to find contact information for businesses not listed here.
