

Taste of Block Island
September 21 -23, 2018

Come visit Block Island September for the “8th Annual Taste of Block Island.” Over 50 Block Island businesses have joined together to highlight the many different events and activities island visitors can enjoy. From gallery openings, wine & beer tastings, to shopping discounts, hotel specials, restaurant specials, and kayak tours, Block Island presents the very best it has to offer during this great 3 day event.

Taste of Block Island Buttons will be available for purchase at the Block Island Chamber of Commerce Office, aboard the Block Island Ferry and the Block Island Express for \$5 per button. The buttons identify participants of A Taste of Block Island to the merchants; participants will also receive a listing of discounts and specials that are to be available across the 11-square mile island. Tour the animal farm, have a tour of the island or enjoy a wonderful lunch or dinner. Come enjoy all the specials over this weekend.

Further information will follow as we prepare for this great weekend.
