

Blockopoly Returns for the Holidays!

Reserve Your Sponsorship Space by September 9th

Dear Chamber Members,

We're excited to announce that **Blockopoly** (Version 3) is officially in the works and scheduled to arrive in time for the holidays!

If you remember the excitement surrounding our previous editions, you'll be happy to know that **both the 2019 and 2022 Blockopoly games completely sold out**. With a fresh new edition featuring current businesses, organizations, attractions, and community partners, we're confident that Version 3 will become another cherished Block Island keepsake and holiday gift.

The Chamber is working with [Dani Kates Designs](#) this year for a fully customized game, and it will be produced by the same factory that makes Monopoly for Hasbro. We plan to produce **1,000 games**, which we are expecting to sell for **\$40 each**. Proceeds from game sales will support the Chamber's ongoing efforts to promote our members, strengthen the local economy, and support initiatives that benefit the broader Block Island community.

Sponsorship Opportunities

Sponsoring a **Blockopoly** space or card is a unique way to increase your visibility while supporting the Chamber and a favorite game among year-round and seasonal residents and visitors alike.
