

**BLOCK ISLAND CHAMBER OF COMMERCE
IS PLEASED TO PRESENT**

**SUMMER SYMPHONY
AT CHAMPLIN'S MARINA & RESORT**

One of the most popular events of the summer season is back!

The Summer Symphony will be hosted at Champlin's Resort under The Grand Tent, as it was last year on a spectacular evening as the sun set over the Great Salt Pond.

This is the Chamber's biggest fundraiser of the year and we are asking you to consider underwriting the cost of bringing the Eastern Connecticut Symphony to the island for this great night of entertainment. There will be mocktails, cocktails and hot and cold hors d'oeuvres beginning at 5pm in a relaxed and enjoyable setting allowing you to mix with the visiting musicians, a remarkable opportunity. Last year the performance earned the orchestra no less than three standing ovations.

The Orchestra will start at 6pm with an exciting mix of carefully selected arrangements building on past popularity. The beautiful setting allows for a relaxed vibe with friends and neighbors. Following the concert, Champlin's will offer a special dessert and after dinner drinks allowing you to mingle the summer evening away under the stars.
