HOTELS & INNS:

The Darius Inn

Looking to hire 2-3 employees for the summer season. We are sisters with a small but very busy hotel (the Darius Inn) that have always been pretty much entirely owner-operated and are now looking for some more regular help as we have slightly expanded our operation and we both have young kids.

- Employee will be expected to work other hours doing either childcare, retail, and/or hospitality related services (breakfast and “happy hour”). We will navigate the other tasks based on both need as well as the employees interests and abilities.
- Ability to work six days a week for the summer season. We are open early May-late October but can be flexible for the right candidate who can work at least 3-4 months.
- Must be friendly and enjoy people with patience and flexibility. The ability to maintain a genuinely good attitude on the job, with our guests (and with us!) is required.
